Re: Support for Deer Cooperator Permit program

Dear Ms. Oberholtzer,

I am writing on behalf of the Lake Roland Nature Council to express support for Baltimore County's efforts to manage the deer population at Lake Roland Park via the Deer Cooperator Permit program. We support the target density goals which are beneficial for both the deer population, the local vegetation, and the park's ecosystem as a whole.

Please do not hesitate to contact me about this further if necessary.

Sincerely,

Gero Verheyen
President
